MuseumDec 08, 2000 It really feels like a sheep herding game Sheared from the PC version of Sheep.. Sheep Herding Game help the dogs herd the sheep into the circular areas to win Herd the sheep in the least amount of time possible.. As you would imagine half of the problem is making sure that the sheep themselves stay together as a group.. Not only will you have to establish the trajectory of the sheep, but you will also have to make sure they don't go places where they might be spotted by the guardians, while in other scenarios using decoys and such will be needed.
